construction industry force account council

D. A. McCosker, President Cedric Porter, Vice President Steve Harris, Secretary Michael Hester, Treasurer

October 6, 2008

Commissioner Eddie Bernacchi
California Uniform Construction Cost Accounting Commission
1127 11th Street, Suite 747
Sacramento, Ca 95814

Dear Mr. Bernacchi,

The Construction Industry Force Account Council, (CIFAC) is a non-profit organization that monitors public entities for compliance with the California Public Contract Code and recently investigated a complaint regarding paving work performed by City crews on Alice Street. The City's accounting shows that it exceeded the $30,000 limit. Their accounting also shows that they did not include items that are required to be listed; traffic cones, barricades, tack oil and tax.

This letter shall serve as a formal complaint against the City of Ukiah, as per California Public Contract Code (PCC), Section 22042 (b). We hereby request a commission review per PCC Section 22043. As per this section, we request that the review commence immediately and conclude within the 30 days allowed.

As per PCC Section 22044 (b), should the commission sustain our compliment, we request that a public hearing be held within the 30 day time period required.

If you should have any questions regarding this complaint, please contact me at 1-800-755-3354. We request that a copy of your findings be sent to us and we be notified of any public hearings prior to be their being held.

Sincerely,

Cathryn A. Hilliard
